TERMINAL DISCLAIMER

Sir:

International Business Machines Corporation (I.B.M.) is the assignee of record of the entire interest in and to the above-identified application. I.B.M. hereby disclaims, except as provided below, the terminal portion of the term of a patent to be granted on the above-identified application which would extend beyond the expiration date of the full statutory term defined in 35 USC 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior Patent No. 6,105,131 issued on August 15, 2000 and entitled "Secure Server and Method of Operation for a Distributed Information System" and the owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 USC 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a
